

### Level 3 NVQ Certificate in Occupational Health and Safety

The Level 3 NVQ Certificate in Occupational Health and Safety qualification is aimed at candidates who are currently in role where there is an element of Health and Safety. This could be as a Team Leader, Supervisor or Head of Department.

The Level 3 NVQ is the academic equivalent of the NEBOSH General Certificate but without the exams!

To achieve the qualification, candidates must complete all the Mandatory Units, plus a minimum of TWO Optional Units.

#### Mandatory Units (Complete All)

Unit Reference Number	Unit Title
A/650/6127	Investigate and evaluate health and safety incidents and complaints in the workplace
Y/650/6126	Ensure responsibility for actions to reduce risks to health and safety
F/650/6129	Develop procedures to safely control work operations
F/601/9354	Monitor procedures to safely control work operations
F/601/6633	Promote a culture of health and safety in the workplace
H/601/6687	Conduct a health and safety risk assessment of the workplace

#### Optional Units – one unit must be completed

Unit Reference Number	Unit Title
D/650/6128	Make sure actions in the workplace aim to protect the environment
M/601/6837	Review health and safety procedures in the workplace
Y/601/6847	Supervise the health, safety and welfare of a learner in the workplace

Successful completion of this qualification will allow the learner to apply for Technical Membership of the Institute of Occupational Safety and Health (TechIOSH)\*
